

## **Virtual Honor Flight**

What is a Virtual Honor Flight? Virtual Honor Flight is for those Veterans in our database, who decide for whatever reason, to decline taking their Honor Flight trip to Washington, DC. With Virtual, we still Honor these Veterans with a one-day experience. Veterans, their Guardian, and one guest will gather for a meal, a video presentation of a typical Honor Flight in DC, a short program, they receive MAIL CALL and the HEROES WELCOME HOME. Once a Veteran takes a Virtual Honor Flight, they are NO longer eligible for a traditional Honor Flight through HFSI or any other Honor Flight Hub. If you are in our database and want additional information on a Virtual HF, please leave a message on our phone answering line 812-297-4136.
